

Company Profile

Our focus is on meeting our customers' needs and customizing solutions that directly address industry requirements. Our capabilities encompass a broad range of weighing systems.

Reflex Scales is a privately held Kenyan company with 100% local ownership, specializing in truck scale supplies and maintenance services. Established in Mombasa in June 2010 as Reflex Technologies,

The company initially offered after-sale support for imported weighing equipment. In 2015, the company was granted approval by Weights and Measures to provide sales, service, repair and overhaul services for all types of weighing instruments. The company rebranded as Reflex Scales Limited in 2020 and operates a head office in Mombasa and a branch in Nairobi with nationwide coverage provided by its support team.

There is no Technology that can be ‘The Answer’ to a better experience in the absence of effective strategy and Planning

Our Mission	Our Vision	Our Core Values
To continuously take a holistic approach to quality. Quality that does not stop just with the products we make and services we provide, But It be an attitude that we take in everything that we do.
